## Sixties American Cars

By Dan Lyons  
The 60s were a decade of fierce competition between the "Big Three", as they vied for the motoring public's dollar with a combination of increased horsepower and sophisticated styling. This period produced a veritable garden of cars, station wagons and light duty trucks with entries from General Motors, Ford, Chrysler, as well as Studebaker and American Motors. Period advertisements and vivid color photographs of showroom-quality vehicles combine with an authoritative text and detailed outlines to bring this fabulous decade in American automotive history to life. Softbound, 8-1/4" x 9", and 96 pages with 80 photographs. L820 ..... 12.95 ea

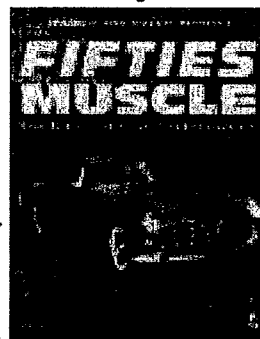

## Maximum Muscle

By Steve Statham  
During the height of the muscle car era, Ford, Chrysler, GM, and AMC offered a number of cars which, in addition to being street legal, were designed to meet the specifications necessary to campaign the NASCAR, NHRA drag racing, and SCCA Trans-Am race series. This color history examines the design, technology, and marketing of these "homologation" specials. Modern color photography of showroom quality examples provide a view of remarkable machines like the Yenko Camaros and Novas, early Trans Ams and many, many others. Softbound, 8-1/4" x 10-5/8", 128 pages. L901 ..... 21.95 ea

## A&E Muscle Cars Video

They are the quintessential American cars-the road rattling, high-horsepower, fat-tired street rockets known as MUSCLE CARS. Leaving subtly and refinement behind in the quest for raw power, they have left skid marks on the hearts of generations of gearheads. A&E TOP TEN straps in for a high-powered ride through the history and heritage of these legendary vehicles. From the GTO to the 'Cuda, the Hemi to the 327, late-night drag races to collectors' garages, we'll burn rubber as we sort through these straight-line speed demons to come up with the definitive list of the 10 best. Baseball great Reggie Jackson and rocker Alice Cooper share their collections with us, and a blue-ribbon panel of racers and car guys, including Dan Gurney, Parnelli Jones, Motor Trend's C. Van Tune and Steve Magnanti of Hot Rod magazine count down the best MUSCLE CARS ever made. With guest appearances from Daisy Duke and the General Lee and other TV and movie automotive stars, this is a must-have video for anyone who's ever dreamed of leaving tracks in American iron. ### 1967 SYC 427 Yenko Hood

Back in the midst of the factory muscle car era, there were several Chevrolet dealerships that decided to "up the ante". Two of these dealerships were Baldwin Chevrolet and Yenko Chevrolet which both created their own special Camaros. These super-high performance Camaros featured special distinctive hoods. Classic Industries is proud to offer a quality reproduction of this very hood which was originally found on 1967 Yenko SYC 427 Camaros, 1968 Baldwin Motion Camaros, and optional on 1969 Baldwin Motion Camaros. This reproduction can be installed on any 1967-69 Camaro.

*Important: Not for use with original hood latch assembly. Hood pins recommended. Hood pin mounting locations are scored on underside of hood for easy drilling. Note: Shipped via truck freight, call or current rates to your area.*

# Cowl Induction System

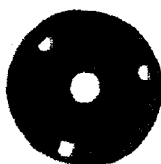

**T**he ultimate in cowl induction replacement! Classic Industries offers a complete reproduction of the original cowl induction air cleaner package for 1969 Camaros. Each kit is offered for the original engine assembly and includes the correct parts for each application. This air cleaner is a direct replacement for the original cowl induction style air cleaner which includes everything you need to completely install a functional cowl induction system. The original cowl induction style air cleaner system was optional on 1969 Camaros with 302 (Z-28), SS-350, SS-396, 427 (ZL-1) or the Cast Iron Block 427/425hp (COPO 9561) Camaros. The cowl induction system was also installed on dealership performance specials such as Yenko, Berger, Dana, Nickey or Baldwin-Motion. This air cleaner system requires a cowl induction hood to complete a fully functional system along with correct installation. Be sure to choose the correct kit for your year and model. Contact our sales department for more information.

*Note: The cowl induction system requires a cowl induction hood for installation. If your Camaro wasn't originally equipped with a cowl hood, you can install the correct hood and add the cowl induction system to your vehicle. Also may be used on 1967-1968 Camaros with an owner installed cowl induction hood. Some items included in kit are not shown.*
